

WHAT DOES THE PUT-BACK AMENDMENT DO?

ENACT TERM LIMITS — The Legislature is a part-time job, it should not be a lifetime career. Eight years is good enough for the President, it's good enough for Springfield.

ENDS GERRYMANDERING — Voters should pick their politicians, politicians shouldn't pick their voters. This amendment ensures objective maps with full public participation.

ENSURES FAIR ELECTIONS — Ends political games that keep independent and third-party candidates off the ballot. Ends abusive tactics to unfairly knock candidates off the ballot.

REQUIRES TRANSPARENT LEGISLATION — Laws shouldn't be written in secret and in back-rooms. 7-day public viewing of all laws before they can be passed so we can see what the laws will be.

THREE-MEMBER DISTRICTS w/ BULLET VOTING AND UNICAMERAL LEGISLATURE — Ensures political minorities could have representation in every district and enhances accountability.
